Role onboarding overview

DRAFT WORKSHEET - NOT FOR PRODUCTION

These generic templates have not been reviewed by a legal representative. They are not legal advice or production-ready agreements. Have a qualified legal representative review and adapt them for your organization and jurisdiction before live production use.

Company / organization: _____

Document version: _____ Approval date: _____

Company contact / public URL: _____

1. Purpose and applicable roles

[Describe this company-wide document's purpose and list the application roles it covers.]

2. Role expectations

[Describe the reviewed responsibilities, experience, and standards for each applicable role.]

3. Work boundaries and approvals

[Describe who approves commitments, assignments, scope, and customer-facing information.]

4. Application and review process

[Describe review steps and how applicants receive next-step instructions.]

5. Training and preparation

[List required training, company procedures, and where reviewed instructions are available.]

6. Questions and document changes

[Provide company-wide contact routes, review ownership, and the document update process.]

Keep this public document free of applicant-specific information. The plugin records acknowledgement in a separate private WordPress form; it does not fill or sign this PDF.
